OUR SERVICES:

1

SUBTITLING AND CLOSED CAPTION

Our team can produce different types of subtitling options such as hard-coded or standalone subtitles depending on your video needs. According to your specific needs, subtitles can also be delivered in different formats including: DFXP, SRT, STL, ITT (iTunes Timed TEXT) and etc.

2

DUBBING AND VOICEOVER

NA TELA IDIOMAS provides a complete solution for dubbing services. From script adaptation through casting. Our target language for dubbing service is Brazilian Portuguese - any language to PTBR (Brazilian Portuguese).

3

BRAZILIAN PORTUGUESE SIGN LANGUAGE

We provide Brazilian sign language for audiovisual production

4

E-LEARNING

We create engaging learning experiences for education. E-learning opens up a world of learning opportunities which can be adapted to suit individual needs. We work with many areas of expertise.
